Per Sri G.S.Singhvi, CJ

In this petition filed under Article 226 of the Constitution, the Andhra Pradesh Pollution Control Board (for short 'the Board') has prayed for quashing a part of order dated 16.05.2006 vide which the Appellate Authority constituted under Water (Prevention and Control of Pollution) Act, 1974 (for short 'the Water Act') and Air (Prevention and Control of Pollution) Act, 1981 (for short 'the Air Act'), while dismissing the appeal filed by respondent No.1 against the closure order passed by the Board, granted liberty to respondent No.1 to continue to operate for a period of three months.

Respondent No.1 is an industrial unit engaged in the manufacture of batteries. Its location is within 10 kms. radius of Osman Sagar and Himayat Sagar Lakes and in the catchment of Noor Mohammed Kunta. After issuing notice and hearings its representative, the Board passed order dated
17-4-2006 for closure of the industry. The appeal preferred by respondent No.1 was dismissed by the appellate authority, but liberty was granted to it to operate for a period of three months.

Sri S.V. Bhatt says that the issue raised in this petition is identical to the one raised in Writ Petition No.11208 of 2006, which has been decided today by a detailed order. Learned counsel for respondent No.1 does not dispute the statement of Sri Bhatt.

In view of the above, the writ petition is disposed of in terms

order passed today in Writ Petition No.11208 of 2006 with the direction that detailed reasons recorded in that order shall be read as part of this order.
